Weddings at St Stephen's church

2024

Our friendly congregation at St Stephen's Church offers a warm welcome. We would be delighted to help you make your wedding become a memorable event for your whole family.

If you choose us, our Minister will meet with you to prepare a Notice of Impending Marriage to get the ball rolling. Next, we recommend you undertake some quality marriage preparation - we recommend the 'Prepare / Enrich' course offered by Relationships Australia. Closer to the date of your wedding, we will help you plan the service using our Anglican rite of marriage. On the day of the wedding, we will help you to complete and lodge the necessary certificates to register your marriage.

Our church building is very airy and peaceful, seating about eighty people. There is a data projector for showing audio-visual material and we offer both an electronic piano and a pipe organ which you are welcome to use. Internet facilities are not installed on site.

If you would like to serve refreshments, you are welcome to use our vintage Parish Hall which has a small kitchenette with basic facilities, or our garden area.

Notice of Intended Marriage (NOIM)

Your Minister or Celebrant must lodge a NOIM on your behalf with Victoria Department of Justice's Registry of Births Deaths and Marriages. The NOIM has many specific questions about your identity, especially about particulars recorded on your birth certificates. Please familiarise yourself with its requirements prior to your first meeting with the Minister and gather the documents that will need to be sighted.

For detail of these requirements, see: <https://www.bdm.vic.gov.au/marriages-and-relationships/lodge-a-notice-of-intended-marriage-noim>
