Funerals at St Stephen's church

2024

Our friendly congregation at St Stephen's church offers a warm welcome to our community in Warrandyte. At a time when your family is grieving the passing of a loved one, we want to assure you of our compassion and willingness to assist.

Our church building is very airy and peaceful, seating about eighty people in the congregation. There is a data projector for showing audio-visual material (although you will have to bring your own laptop to run the show and also appoint a person to operate it) and we offer both an electronic piano and a pipe organ which you are welcome to use. Internet facilities are not installed on site.

After the service, if you would like to serve refreshments, you are welcome to use the simple facilities of our vintage Parish Hall, which has a small kitchenette. Parking on site is limited but Stiggant Street has ample space.
